

OCF-OCF: THE WORLD'S GREATEST CAMP!

MAY-JUNE 2008

The Orange County Foundation for Oncology Children and Families (OCF-OCF) would like to invite your family to a weekend Family Camp. Camp is located in the San Bernardino Mountains. This camp is open to all oncology children, siblings, and parents and/or guardians; however, we ask only two adults per family attend due to limited space. Extended family members, i.e., grandparents, aunts, uncles, cousins, etc., cannot be accommodated unless they are serving as parent/guardians.

Best of all, because of generous funding from public and private donations, as well as our own fundraising efforts, this session of the World's Greatest Camp is available to all pediatric oncology families FREE OF CHARGE!

The World's Greatest Camp offers a wide variety of activities including swimming, horseback riding, archery, adventure courses, crafts, hiking, nature studies, sports, and much, much more!
