The World's Greatest Camp offers a wide variety of activities including swimming, archery, adventure courses, crafts, hiking, nature studies, sports, and much, much more! The World's Greatest Camp is a process, not an event. ## GETTING TO AND FROM CAMP

Bus transportation is provided for campers & counselors only. Transportation for parents/guardians **is not** provided. We suggest parents contact other families to arrange carpools or rides if needed.

All children 4-years and older are expected to ride the bus. In order to assure everyone a comfortable trip to camp, we need to know which children will be riding the bus each way.

Please list the names of your **children** below, check the appropriate day they'll be on the bus, and enclose this with your camp application.

## ADULT SLEEPING ARRANGEMENTS

Often, parents choose to sleep in their car or pitch a tent rather than bunk in a cabin. Enough enclosed cabin sleeping space for adults is always a concern & we always need to know where to find a child's parent(s), so we need to know where you plan to sleep to plan accordingly. If you plan to sleep in the adult cabins, just put "Cabin;" otherwise put "car," "tent" or wherever else you plan to sleep. If you don't know yet, just put "Don't know yet" - that's ok.
